BIKE & ROLL

Sumalim Playgrounds ofrece **experiencias únicas** y diferentes para el juego en la calle y con ese objetivo lanzamos Bike&Roll, una **gama de pistas** para bicicletas, patines, scooters y skates, creadas con **piezas modulares** con las que se configuran itinerarios adaptados al espacio disponible
¿EMPEZAMOS?

- Para niños, jóvenes y adultos
- Infinitas combinaciones
- Personalizable por el cliente
- Para interior o exterior
- Limpieza fácil e higienizable
- Cero Mantenimiento

*Sumalim Playgrounds offers **unique and different experiences** for the outdoor play and with that in mind we launch Bike&Roll, a variety of **pump tracks** for all wheels, bicycles, scooters and skates created with **modular pieces** joint together configuring adapted pathways to the available space.*
SHOULD WE START?

- For children, youth and adults
- Unlimited possible combinations
- Easily customizable by the customer
- For the outdoor and indoor
- Easy sanitary cleaning
- Zero maintenance

¡DISEÑA TU PROPIA PISTA!

BIKE&ROLL es una gama de piezas modulares con las cuales crear una pista de Pump Track a tu gusto.

Puedes configurar la longitud y la forma, la cual es además, modificable. Es decir, que con las mismas piezas ¡Puedes cambiar de forma las veces que quieras!

DESIGN YOUR OWN TRACK!

BIKE&ROLL is a modular product range with which you can create the customized pump track you like.

You can set up the length and shape, and this can be also adaptable. It means that you can change the circuit as often as you want.
